Dear Supporter;

The Merryville Historical Society & Museum is reaching out for our annual membership drive. We have always had a great support system and appreciate everything you have done, not only for our organization but also for our community.

This past year we saw the start of many much needed repairs to our museum, cabin, stage and the outer buildings. John Winn, along with many of our volunteers, and worked hard to repair and update the museum and grounds. The back wall of the museum has started the much needed repairs; a gutter system has been installed on the back wall; the outdoor restrooms, shed, cowboy jail and the cyclist cabin have been repainted. The upper stage has been repaired and made structurally sound; the museum has been pressure washed; and our grounds look really great.

This will have four festivals this year. March 28th and 29th we will have our Pioneer Heritage Festival with new crafts/skill demonstrators and lots of cowboy shoot- outs. The last Saturday in July we will have our back to school – Under the Sea – at the museum school drive with lots of activities and free school supplies for the community school children. On the last Saturday in October we will have a fall fest with Halloween decorations and our members dressed in spooky costumes and give our candy on the museum grounds.

Mrs. Linda Whittington is our new Fundraising Chairman and has already started planning our monthly fundraising with Red Beans, Sausage and Rice dinner plates for Saturday, February 2, 2019. Plates will be \$5.00 each and include cornbread and a dessert. To purchase plates please call Linda at 337-825-6400 or 337-340-0785 or talk to any museum member for tickets. We still have plenty of Community Cookbook's available for \$20.00 each and personalized veteran's brick for our military \$25.00 each.

We ask for you to review the attached form to become a member and support our organization. Annual memberships are \$10.00 per person. We no longer offer the lifetime membership but will always honor those already joined. For those not interested in an annual membership, any contribution will always be greatly appreciated. All members are invited to join us the first Monday of each month at 6.00 pm in the museum for our monthly meeting.

If you have any questions or concerns, please contact our Membership chairman, Robbie Cole at 337-489-0734.

Thank you
